MEMORANDUM FOR: D/DCI/ICS
D/OSR/
NIO/CF

SUBJECT : J-2 EUCOM Briefing and Indications
and Warning Seminar

REFERENCE : D/NIO memo to General Graham, 4 December 1974

Attached are two cables outlining plans for the briefings and seminar discussed in reference note and attachment. I trust that Danny's people have been in touch with you on this scheduling, that it fits in with your plans, and that you or your representatives will be able to participate in the discussions setting up the seminar. I join in General Ratkovich's hope that the seminar will be a first step in refining and implementing an improved capability in the indications and warning field.
